Coaching Clinics
For U4 - U10

CMSA Mini Soccer Coaching Clinics

Who: Any community that offers U4 - U10 age groups. These clinics are an excellent opportunity to curb any anxiety a new coach or even a coach moving into the next age group may feel.

What: These clinics are put on by the communities themselves. CMSA provides the instructors and manuals. The manuals include ten practice outlines and ideas for drills and games that are geared toward the U4 - U10 age groups. The communities provide the location, balls, pinnies, cones and the coaches. There are three clinics that are available to the communities. They are:

- U4 - For \$120 Length: 3 Hours
- U6/U8 - For \$120 Length: 3 Hours
- U10 - For \$240 Length: 4.5 Hours

*The time will reflect not only the clinic but the amount of questions

Communities are able to pick any or all of the above clinics depending on the number of coaches in those age categories. They can also put on as many clinics as they need to get as many coaches through as they can. The minimum number of coaches for a clinic is 8 with the maximum being 16. This gives even numbers to do the drills with.

When a coach attends the clinic he or she receives a manual and will also participate in the drills. This gives the coach the knowledge of what the players themselves go through.

When: These clinics will be whenever the community is able to book a time at an indoor gym (indoor is best because of the quickly changing Calgary weather).

How: Fill out the form on the next page and submit it either via fax or mail. If mailing, our address is 7000 48th St. S.E. T2C 4E1. If faxing, our number is 236-3669. Once we receive the registration form we will contact our instructors to see if they are available for that date.

Questions: Please email Jannis Derry from CMSA at jannis@calgaryminorsoccer.com
